Dear Parents

R.E. Inspection

Earlier this week I was given details of the inspection of the religious character of our school. It will take place on Monday 26 March. I will give you more details nearer the time.

Football

Our footballers have played two matches this week and have won them both. On Wednesday night the 'cup team' (Mr. Creaton is our version of Arsene Wenger!) beat Wheatfields 2-0 and last night the 'league team' beat Park Street 4-0. I watched last night's game and was greatly impressed by the style of football played by our boys and by their sporting attitude. If they continue to play like this they could have a very successful season.

Cards etc

Thank you for ensuring that your children are not bringing in bumpeez and Moshi Monster cards to school.

Parking

Once again we have experienced some very thoughtless parking near to the school and more worryingly some parents who just let their children out of the car to cross the road on their own. Nobody wants to see someone being knocked down, but that is what is going to happen if people are not thinking more about what they are doing.

Behaviour

I was very disappointed with the behaviour of quite a few children on Thursday and have told them in assembly this morning that I expect to see a vast improvement all round. Perhaps you would be good enough to repeat the message at home as I think that if we work together on these matters we will achieve greater success. The majority of the children are nearly always very sensible but we don't want our high standards to slip. Thank you for your support.

Yours sincerely
